

Smart Ready

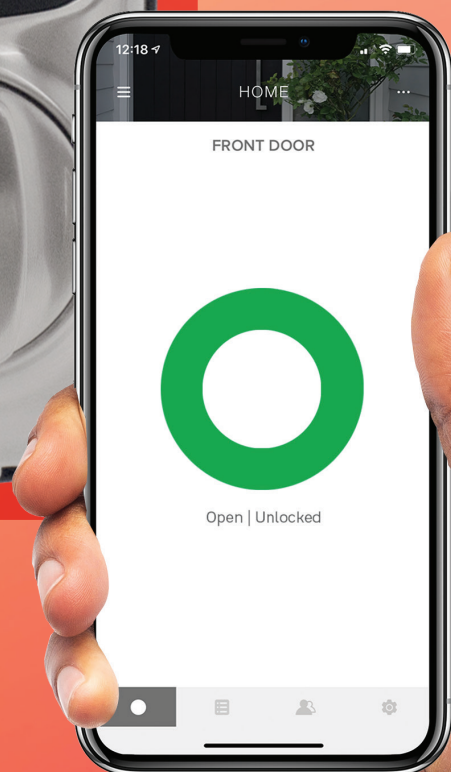

Smart Latch 2

Combining high security with cutting-edge technology, the Yale Smart Latch 2 is a convenient security solution for the modern lifestyle.

The Yale Smart Latch 2 lets you retrofit your existing Nightlatch for keyless entry. With the Smart Latch 2, coming home is effortless! Unlock your door conveniently by entering your PIN code on the lock's keypad, scanning a proximity card, pressing the 'open' button in the Yale Home App, or activating the App's 'Auto-Unlock' feature for the ultimate convenience—your door will unlock automatically as you approach.

Upgrade your access control by managing and monitoring your lock from anywhere*. Receive instant notifications about who is coming and going, grant guest access, and check whether your door is open or closed—all from the palm of your hand.

Enjoy peace of mind, protected by a Yale Lock with more than 180 years of security expertise built in.

Yale Home

Trusted every day
